# Tutto il valore di casa nostra per dare valore a casa tua

The value of our home to give value to yours  
— Toute la valeur de notre maison pour donner de la valeur à votre maison

ITA — L'idea progettuale continua a correre trasportata all'esperienza dei maestri falegnami, a cui è affidata la realizzazione del fusto in legno. Allo scheletro portante dei nostri divani artigianali, assemblati a mano, viene aggiunta una morbida anima modellata sulle forme del singolo esemplare e bilanciata tra poliuretano espanso e piume d'oca, per assicurare il massimo comfort.

ENG — The project continues to pass into the experience of the master carpenters who are entrusted with the creation of the wooden framing.

The supporting skeleton of our handmade sofas are assembled by hand, consequently a soft core is modelled into the single specimen models, creating a balance between polyurethane foam and goose-feather filling to ensure maximum comfort.

FR — L'idée du projet continue d'avancer, transportée vers l'expérience des maîtres charpentiers, à qui est confiée la réalisation du cadre en bois.

Au squelette porteur de nos canapés artisanaux, assemblés à la main, s'ajoute une âme souple modelée sur les formes du prototype et équilibrée entre la mousse de polyuréthane et les plumes d'oie, pour assurer un maximum de confort.

A pair of worn, dark brown wooden shoe lasts are positioned on a rustic wooden workbench. The lasts are shaped like shoes, with one slightly behind the other. The wood shows signs of use, with some scuffing and discoloration. In the background, a metal object, possibly a part of a shoe-making machine, is partially visible. The overall scene is lit with warm, natural light, highlighting the textures of the wood.

A brown leather suitcase is open on a dark, textured floor. On top of the suitcase, there is a stack of several books with white covers. One book's spine is visible with the text "SOMMARIO DI DIALETTICA". A wooden tennis racket with a woven mesh head is leaning against the suitcase. The scene is lit from the side, creating strong shadows.
