Tutto il valore di casa nostra per dare valore a casa tua

The value of our home to give value to yours
— Toute la valeur de notre maison pour donner de la valeur à votre maison

ITA — L'idea progettuale continua a correre trasportata all'esperienza dei maestri falegnami, a cui è affidata la realizzazione del fusto in legno. Allo scheletro portante dei nostri divani artigianali, assemblati a mano, viene aggiunta una morbida anima modellata sulle forme del singolo esemplare e bilanciata tra poliuretano espanso e piume d'oca, per assicurare il massimo comfort.

ENG — The project continues to pass into the experience of the master carpenters who are entrusted with the creation of the wooden framing.

The supporting skeleton of our handmade sofas are assembled by hand, consequently a soft core is modelled into the single specimen models, creating a balance between polyurethane foam and goose-feather filling to ensure maximum comfort.

FR — L'idée du projet continue d'avancer, transportée vers l'expérience des maîtres charpentiers, à qui est confiée la réalisation du cadre en bois.

Au squelette porteur de nos canapés artisanaux, assemblés à la main, s'ajoute une âme souple modelée sur les formes du prototype et équilibrée entre la mousse de polyuréthane et les plumes d'oie, pour assurer un maximum de confort.

Design solido e imponente

Solid and impressive design — Un design puissant et imposant

ITA — Design solido e imponente per BEBE, vasto salotto angolare qui proposto nella versione tre posti con terminale ed angolo a trapezio completo di spalliera. Compatto e funzionale, BEBE è stato concepito per assicurare il massimo comfort in pochi semplici gesti: insieme al bracciolo reclinabile, tutte le spalliere - corredate da poggiatesta in piuma d'oca - sono infatti mobili, consentendo di aumentare la profondità della seduta fino a ben tredici centimetri.

ENG — A solid and impressive design for BEBE, a large angular sofa shown here in its three-seater version with terminal and trapezoid corner complete with backrest. Compact and functional, BEBE has been designed to ensure maximum comfort in a few simple steps: together with the reclining armrest, all the backrests – with goose down lumbar pillows – are indeed removable, allowing for the depth of the seating to be increased by up to thirteen centimetres.

FR — Un design puissant et imposant pour BEBE, un grand canapé d'angle proposé ici dans la version trois places avec élément terminal et élément d'angle en forme de trapèze avec dossier. Compact et fonctionnel, BEBE a été conçu pour garantir un maximum de confort en quelques gestes simples: tous les accoudoirs inclinables, ainsi que les dossiers pourvus de coussins cale-rein en plumes d'oie sont en effet amovibles, pour augmenter la profondeur de l'assise jusqu'à un maximum de treize centimètres.

Dettagli sartoriali

Tailoring details — Détails de confection

ITA — Rivestito in vellutata pelle effetto nabuk, BEBE si distingue inoltre per i dettagli sartoriali delle finiture. La trapuntatura con “tiraggio” che esalta l’orizzontalità di spalliere e sedute, le cuciture con lavorazione a punta di cavallo con impunture a contrasto ed infine gli spigoli a vista con inserti in pelle, anch’essi in contrasto cromatico, rendono questo divano un prodotto unico, espressione compiuta di cura artigianale.

Il tutto poggia infine su piedini in finitura titanio e su telaio a struttura mista in ferro e legno, certezza di stabilità e resistenza all’uso quotidiano.

— Mod. Bebe
Versioni 310 - 420 - 141
Salotto angolare in pelle

ENG — Covered in velvety nubuck-effect leather, BEBE also stands out for the sartorial details of its finishes. The particular quilting that enhances the horizontality of the backrests and seats, the horseshoe stitching with contrasting seams and finally the visible edges with leather inserts, also with contrasting colours, make this sofa a unique product, the expression of craftsman like attention to detail.

It is supported by feet with a titanium finishing and on an iron and wood frame, ensuring stability and resistance to daily use.

FR — Revêtu en cuir effet nubuck au toucher velouté, BEBE se distingue en outre grâce aux détails des coutures. La surpiqûre au style « étiré » mettant en valeur l’horizontalité des dossiers et de l’assise, les coutures points de cheval de couleur contrastante et enfin les coins aux fentes apparentes avec insertions en cuir, elles aussi de couleur contrastante, transforment ce canapé en un produit unique, qui exprime le meilleur de la qualité artisanale.

Le châssis à structure mixte fer et bois reposant sur des pieds avec finition titane assure une grande stabilité et une grande résistance particulièrement adaptées à une utilisation quotidienne.

Appeal decorativo

Decorative appeal — Appeal décoratif

ITA — A ciò si aggiunge la pelle della spalliera e del bracciolo: zavorrati e dunque completamente mobili, sono forniti come optional. Ulteriore dettaglio, che impreziosisce con cura sartoriale i rivestimenti, è dato dal bordino a contrasto, che va a definire con carattere i volumi di sedute, spalliere e bracciolo. Appeal spiccatamente decorativo è infine espresso dal gruppo centrale di cuscini e poggiatesta, caratterizzati da inediti accostamenti di colori e tipologie di rivestimento.

Salotto angolare in tessuto e spalliera in pelle.

ENG — Added to this is the leather of the backrest and armrest: ballasted and completely removable, they are supplied as an optional. Another detail that embellishes the upholstery with fine tailoring is represented by the contrasting edge, which gives character to the seats, backrests and armrest.

A strong decorative appeal is finally expressed by the central group of cushions and lumbar pillows, characterised by unusual combinations of colours and types of upholstery.

FR — À tout cela s'ajoute un dossier et un accoudoir en cuir fournis en option qui sont lestés et donc totalement amovibles. Les bordures de couleur contrastant avec les revêtements, qui définissent les volumes de l'assise, du dossier et de l'accoudoir, représentent un dernier détail de couture particulièrement soigné.

Pour finir, un charme extrêmement décoratif émane de l'ensemble de coussins et de cale-reins au centre de la composition, caractérisés par des juxtapositions inédites de couleurs et de matières
