ENG — Our history began over half a century ago in Altamura, a place that, thanks to its workers' passion and toil, has been recognised as being the upholstered furniture district of Murgia.

FR — Notre histoire commence il y a plus d'un demi-siècle à Altamura, dans ce qu'on appelle, grâce à la passion et au travail constant de ses travailleurs, le district des canapés et fauteuils de Murgia.

Qui, nel 1956, il suo fondatore, Rocco Ferri, ha dato vita a MaxDivani, l'azienda che in poco tempo si è affermata per la qualità superiore espressa dai suoi divani artigianali.

It was here in 1956 that the founder, Rocco Ferri, began MaxDivani, a company that affirmed itself immediately for its higher quality handcrafted sofas.

C'est ici qu'en 1956, son fondateur Rocco Ferri a donné vie à MaxDivani, l'entreprise qui, en très peu de temps, s'est imposée pour la qualité supérieure de ses canapés artisanaux.

Tutto il valore di casa nostra per dare valore a casa tua

The value of our home to give value to yours
— Toute la valeur de notre maison pour donner de la valeur à votre maison

ITA — L'idea progettuale continua a correre trasportata all'esperienza dei maestri falegnami, a cui è affidata la realizzazione del fusto in legno. Allo scheletro portante dei nostri divani artigianali, assemblati a mano, viene aggiunta una morbida anima modellata sulle forme del singolo esemplare e bilanciata tra poliuretano espanso e piume d'oca, per assicurare il massimo comfort.

ENG — The project continues to pass into the experience of the master carpenters who are entrusted with the creation of the wooden framing.

The supporting skeleton of our handmade sofas are assembled by hand, consequently a soft core is modelled into the single specimen models, creating a balance between polyurethane foam and goose-feather filling to ensure maximum comfort.

FR — L'idée du projet continue d'avancer, transportée vers l'expérience des maîtres charpentiers, à qui est confiée la réalisation du cadre en bois.

Au squelette porteur de nos canapés artisanaux, assemblés à la main, s'ajoute une âme souple modelée sur les formes du prototype et équilibrée entre la mousse de polyuréthane et les plumes d'oie, pour assurer un maximum de confort.

Design lineare — Linear design — Un design linéaire

ITA — Le dimensioni contenute, insieme al design lineare e minimale, rendono il divano angolare SPIKE la soluzione di arredamento perfetta per la zona living. L'abbiamo infatti dotato, nella componente del divano due posti, di meccanismo recliner a blocco unico sia nei poggiapiedi che nella spalliera, azionabili da pulsantiera elettrica i primi e manualmente l'altra.

ENG — Its small size, together with its linear and minimal design, make the angular sofa SPIKE the perfect furnishing solution for the living room. In fact, we have equipped it, in the two-seater version, with a single-block recliner mechanism both in the footrest and in the backrest, which can be operated, respectively, by means of an electric push-button panel and manually.

FR — Ses dimensions contenues, ainsi que son design linéaire et minimaliste font du canapé d'angle SPIKE la solution d'ameublement parfaite pour le salon. L'élément à deux places en effet a un repose-pied et un dossier (tous les deux composés d'un seul bloc) inclinables, grâce à un mécanisme actionné au moyen de boutons électriques pour le repose-pied et manuellement pour le dossier.

Spike

ITA — A questi si aggiungono i poggiatesta movibili ed il pouff finale, la cui seduta diventa un piccolo schienale ribaltabile, e che insieme fanno di SPIKE una vera e propria oasi di comfort e relax. Il tutto, ad assicurare un plus di comodità, insieme a durevolezza e resistenza all'uso, esaltato dalla sofficità delle sedute in poliuretano espanso con sistema "a molle greche".

ENG — Added to these are the removable headrests and the end pouf, the seat of which becomes a small folding backrest, and which together make SPIKE a real oasis of comfort and relax. All of this ensures extra comfort, durability and resistance to use, enhanced by the softness of the polyurethane foam seats with zig-zag spring system.

FR — Les appuis-tête amovibles et l'élément terminal en forme de pouf, dont l'assise peut devenir un petit dossier rabattable, complètent cette véritable oasis de confort et de détente. De plus, pour assurer résistance, durabilité et encore plus de confort, l'assise moelleuse de ce canapé est en polyuréthane expansé avec des ressorts Nosag.
